## SIX-NIGHT NAMIBIA SCENIC SAFARI by Private Aircraft

Introducing the New Sanctuary Properties  
Okahirongo River Camp & Okahirongo Elephant Lodge

### OKAHIRONGO RIVER CAMP

*Marienfluss Valley*

Okahirongo River Camp is an eco-friendly luxury tented lodge built on a sweeping ridge and opening up to breath-taking views of the Kunene River. Here at the River Camp you can experience the pure sound of nature: lose yourself in all the lights and shades that the sun draws over the mountains and let the Kunene River play the best music for deep meditation.

### OKAHIRONGO ELEPHANT LODGE

*Kaokaland*

Perched on a hill above the banks of the ephemeral Hoarusib River, the Okahirongo Elephant Lodge is possibly one of the most remote lodges in Namibia with a rewarding genuine safari experience. The lodge will dazzle your senses with its mix of stylish tranquility, eccentric architecture, ultimate comfort and excellent service. An oasis of luxury in the middle of the desert.
