ITINERARY

1 Arrive in Nairobi

On arrival at Jomo Kenyatta International Airport, please clear customs and immigration and collect your luggage. Proceed through into the Arrivals Hall, where a representative will meet and transfer you to the Ololo Lodge.

Ololo Lodge is a traditional colonial farmhouse carefully restored and extended by its Australian owners. Its 13 rooms are furnished in a blend of 'Out of Africa' with a modern, eclectic accent. Guests can relax in Ololo's large open living room, in front of the open fireplace, with wine selected from the lodge's stone cellar, or sit in the quiet of the adjoining library.

Overnight: Ololo Lodge

4 Fly to Masai Mara National Reserve

Today, fly to the Masai Mara and transfer to Mara House for the next three nights.

The Masai Mara plays host to the most spectacular array of wildlife. 1,510 square kilometers (583 square miles) of broad biscuit-colored savannah sprawls as home to huge numbers of birds (almost 600 species) and animals and is adjacent to the enormous expanse of the Serengeti; the two make up the most diverse ecosystem on the continent.

5 & 6 Masai Mara National Reserve

Explore the Mara on morning and afternoon game drives as well as interacting with the local community to see how they live. Game viewing is never dull in the Mara, and patience is often rewarded with unique sightings: a pride of lions stalking their prey, a solitary leopard high up an acacia tree, or an elephant herd protecting a young calf.

7 Serengeti National Park

After breakfast, fly to the Serengeti National Park and arrive at Mkombe's House in time for lunch. In the afternoon head out on a game drive.

This self-contained private house for ten, totally designed around families, is charm itself, and set plum in the middle of one of Serengeti's richest mammal habitats. Solitary under huge skies and amidst the great grassland plains, it grants complete freedom from other people and schedules. It's also excitement-central: a lively base for expertly guided forays into the bush: scouting buffalo, elephants, lion, crocodiles - and the famous wildebeest river crossings.

Overnight: Mkombe's House

8 & 9 Serengeti National Park

Explore the Serengeti National Park on morning and afternoon game drives. One of the world's last great wildlife refuges, the Serengeti, stretches between the Ngorongoro Highlands and Lake Victoria. The name comes from the Maasai word siringet, meaning "endless plains". The Serengeti's 14,763 square kilometres contains about three million large animals, many of them taking part in seasonal migrations, unparalleled in nature.

At dawn, the endangered black rhino returns to the thick cover of the crater forests after grazing on dew-laden grass in the morning mist.
