CONTACT US

Hello from A&K Australasia,

What a fabulous year it's been for travel. We're thrilled to see so many agents and clients interested in Australia and New Zealand again.

With New Zealand open back up to travellers, we've seen increased interest in Tailor-Made Journeys. We've welcomed A&K's first Wings Over New Zealand program from the US in October and Luxury Small Group Journeys are well and truly back with more clients booked for 2023 than in 2019. This has been reflected with the expanded team in New Zealand, which we are very excited about.

We have a few things to be thankful for this year in Australia too. We've been fortunate to have operated our first Private Jet Journey to Australia from France in March, and had a very successful operation of A&K's Luxury Expedition Kimberley Cruise: Australia's Last Frontier, which embarked not long after Australia reopened.

With the festive season drawing closer, our office hours will be as follows:

26 December — Office closed

27 December — Office closed

2 January — Office closed

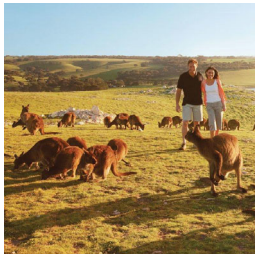

Our DMC Reservations Team will still have staff working and we are here if you need any assistance.

Read on to discover some of the trips we've loved this year, and what we're looking forward to in the year to come, and have a happy holidays from all of us at A&K Australasia. We look forward to our continued work together in 2023.

Warm Regards,
Graham Wood
