

Horse Riding Safari In The Delta

Abercrombie & Kent
EAST & SOUTHERN AFRICA

ITINERARY

1 Arrive in Okavango Delta

Arrive at Maun International Airport and fly on a shared light aircraft flight to the camp airstrip, transfer to your accommodation and overnight. The flying time is approximately 30 minutes.

Macatoo Camp is situated on the western side of the Okavango Delta with its seasonal lagoons and grassy plains. The riding terrain is scenically varied in all directions and the horseback excursions promise an incredible wildlife experience. Guests are accommodated in large and airy tents that blend seamlessly into their natural surroundings while still providing a luxurious, but authentic bush haven in which to relax.

The main attraction is the joy of riding through game rich areas sometimes quietly walking stalking big game or cantering through the water-meadows. In order to ensure the safest and most enjoyable horseback adventure, riders must be riding-fit and confident at all paces. Days in the saddle can be long but very rewarding.

Overnight: Macatoo Camp

Meal Plan: B,L,D

2 - 5 Okavango Delta

Spend your days enjoying the activities on offer.

The experienced guides are full of interesting stories about the ever-changing landscape and game you may encounter on horseback. The horses are familiar with the environment and have finely-tuned senses to spot the game.

The daily riding pace may include fast and thrilling gallops alongside giraffe, zebra or buck, in water and on land or quietly stalk bigger game such as buffalo and elephant or take time to just sit and indulge in some of the best bird watching in the world.

In addition to the riding activities there are also game drives in 4x4 safari vehicles and night drives for close up photographic opportunities. When the water levels permit, boat rides are available for another perspective on the area. Other activities on offer are birding, canoeing and fishing.

Overnight: Macatoo Camp

Meal Plan: B,L,D

6 Depart

Transfer to the airstrip for your shared light aircraft flight to Maun International Airport for your onward journey and flight. The flying time is approximately 30 minutes.

Meal Plan: B
