

Zanzibar Extension

ITINERARY

We recommend adding a beach extension to your safari. A chance to rest and unwind and even review all your photographs from the safari before heading back home.

1 Arrive in Zanzibar

Fly into Zanzibar International Airport from any East African country. You will be met by our representative and transferred to the hotel.

The name Zanzibar evokes images of palm fringed coastlines framing white sandy beaches and the warm crystal clear water of the Indian Ocean. It's no surprise then that the sultans of yesteryear chose this location as their key trading post.

2 & 3 Zanzibar

Spend the next two days relaxing on the beach with a book in hand. For those that are more active there are a variety of optional activities available at an additional cost including a tour of Stone Town, a visit to a local spice farm, or exploring the seas on a snorkelling or diving trip.

Head out on a tour of Stone Town the historical, cultural and architectural capital of Zanzibar Island. A designated UNESCO World Heritage Site, the town is famous for its distinctive architecture most notably its narrow streets that snake between the various houses, buildings and monuments. A tour of Stone offers a fascinating look at the essence of Zanzibar including the colonial monuments, ornately carved and studded doors, two cathedrals and countless mosques.

Zanzibar is known as Spice Island. Visit a local spice farm on the island where you will be taken around by the farmer and shown how each of the various spices grow and what the plants look like. At the end of the tour you will have the opportunity to buy some of the spices.

The island has great diving spots for those water sport enthusiasts looking to experience Zanzibar from below.
